

# SAFE PLAY GUIDELINES FOR CURRENCY-ACTIVATED EQUIPMENT & GAMES

THE HEALTH AND SAFETY OF OUR EMPLOYEES  
AND CUSTOMERS IS IMPORTANT TO US!

## **TO ENSURE YOUR COMFORT AND SAFETY, WE ARE COMMITTED TO THE FOLLOWING:**

- All games are regularly cleaned and sanitized according to CDC standards.
- 70% or higher isopropyl alcohol is used on all High Touch Points, including: Touchscreens, Buttons, Trackballs, Control Panels, Coin Mechanisms, Dollar Bill Acceptors, Cue Sticks, Balls, and any other surfaces used to play the equipment.
- We recommend washing your hands with soap and water or using the provided alcohol-based hand sanitizer stations.
- We encourage patrons to provide their own equipment when possible. I.e. Pool Cue Sticks, Darts, etc.
- Any borrowed/rented equipment is controlled by the establishment to ensure all items are disinfected with 70% alcohol between uses.
- A system that separates the already cleaned and sanitized equipment from those that need to be cleaned and sanitized has been established.
- All CDC & AZDHS social distancing guidelines and all Arizona and local government mask requirements MUST be followed!
- If it is not possible to properly space games and allow adequate social distancing, some machines will be unplugged, covered, shutdown, and/or labeled as necessary.

**WE THANK YOU FOR YOUR BUSINESS AND  
HOPE YOU ENJOY YOUR PLAY!**
